

# When in church, please

## 1. a quiet church worshipper!

People come to church to talk to God in prayer and meditation, to hear God's Word through scripture and - let's be quiet so everyone (including you!) can hear God's words.

## 2. a good pew neighbor!

If you sit quietly and keep your hands in your lap or at your side, you will be a good pew neighbor!

## 3. a good worship participant!

Take a bulletin from the ushers when you enter the sanctuary. Follow along: Sing the hymns! Pray the prayers! Ask for God's forgiveness! If you need to use the hymnals, your teacher will tell you so. If the hymnals are not needed, please leave them alone. If you need to use the kneeler, your teacher will tell you so. If the kneelers are not needed, please leave them alone. During the Children's Sermon, listen to what Pastor Pete has to say - he may ask you questions - raise your hand to answer them!
